for Rise Against Hunger

## SUMMARY

I am a Post-Graduate student at the Open Window Insitute and I'm an aspiring 3D animator/ Sound Designer. I initially attended Open Window to pursue my love for 3D Animation, where I also discovered a passion for Sound Design.

I still pursue equestrian as a hobby on the sidelines. In my spare time I enjoy drawing and recording the sounds of the environment around me.

## SKILLS

#### Core Skills

- Sound design
- 3D Animation

#### Software

- Blender
- Adobe Creative Cloud (Photoshop, Illustrator, After effects, Media Encoder)
- Reaper
- Protools
